PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented Full Stack Developer with a strong academic foundation in Computer Science (MSc, University of Bath) and hands-on experience in modern web technologies. Skilled in building responsive, user-focused applications using React, Next.js, Node.js, and TypeScript. Bringing proven communication and problem-solving experience from Amazon, along with practical frontend development experience from Qift Solutech. Eager to contribute to innovative projects, learn from experienced engineers, and grow within a dynamic software team.

TECHNICAL SKILLS

- **Languages:** JavaScript, TypeScript, HTML, CSS
- **Frontend:** React.js, Next.js, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Database:** MongoDB, SQL
- **Tools:** Git, GitHub, Vercel, Appwrite, Sentry, Twilio, Clerk
- **Practices:** RESTful APIs, Agile, CI/CD, Testing, Version Control

EMPLOYMENT HISTORY

- Frontend Developer** – Qift Solutech Pvt Ltd – (Bengaluru, India) Nov 2021 – Aug 2023
 - Engineered scalable, modular features for an online education platform using Next.js, React, and Node.js.
 - Collaborated with designers and backend teams to deliver intuitive, accessible user experiences.
 - Integrated and optimized APIs, implemented real-time updates, and enhanced data handling for large datasets.
 - Contributed to debugging, code reviews, and agile sprint cycles, enhancing feature delivery speed.
- Resolution Specialist** – Amazon Development Centre India (Noida, India) Oct 2019 – Oct 2021
 - Supported customer service associates by resolving complex and technical escalations.
 - Communicated effectively across teams to ensure high-quality solutions and process improvements.
 - Delivered training sessions to improve product knowledge and case resolution accuracy.
 - Developed strong analytical, communication, and multitasking skills in a fast-paced environment.
